8.3 Effects of Termination. Notwithstanding anything to the contrary in this Agreement, the provisions of Sections 1, 2, and 4 through 13 will survive the termination or expiration of this Agreement.

During and after the term of this agreement, neither party shall make any comments to any individual or entity, including, without limitation, colleagues, healthcare providers, customers, employees, financial or credit institutions, which could reasonably be construed as negative concerning the other party. This Section shall not be deemed to include pleadings or testimony under oath given in connection with any attempt to enforce the provisions of this Agreement.

IN NO EVENT SHALL TRIARQ'S LIABILITY EXCEED THE AMOUNTS RECEIVED BY TRIARQ FOR THE SOFTWARE OR FOR MAINTENANCE SERVICES UNDER THIS AGREEMENT DURING THE SIX (6) MONTH PERIOD IMMEDIATELY PRECEDING LICENSEE'S CLAIM FOR RECOVERY, EVEN IF TRIARQ IS ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES. EXCEPT FOR INSTANCES OF INTENTIONAL VIOLATION OF THE OTHER PARTY'S CONFIDENTIALITY, NON-DISPARAGEMENT, OR INTELLECTUAL PROPERTY RIGHTS, NEITHER PARTY SHALL BE LIABLE FOR ANY SPECIAL, INDIRECT, PUNITIVE OR CONSEQUENTIAL DAMAGES HEREUNDER, INCLUDING, BUT NOT LIMITED TO, LOSS OF USE OR THE LOSS OF DATA OR INFORMATION OF ANY KIND, LOSS OR DELAY OF REVENUE AND/OR PROFITS, ADDITIONAL EMPLOYEE HOURS OR EXPENSES, OR LOSS OF ANTICIPATED SAVINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE PERFORMANCE THEREOF, HOWEVER CAUSED, OR FAILURE OF THE SOFTWARE TO WORK OR PERFORM IN ANY WAY, OR ANY LIABILITY TO END-USERS OR TO THIRD PARTIES (EXCEPT AS SET FORTH IN SECTION 11.1).

11.1 TRIARQ Indemnity. TRIARQ, at its own expense, will indemnify and hold Licensee harmless against any damages, settlements, costs and expenses (including reasonable attorneys' fees) and will defend same in any threatened or actual suit, claim or proceeding arising from or relating to an allegation that use or possession by Licensee of the Software infringes or violates any valid and enforceable Intellectual Property right of any third party; provided, however, that Licensee (i) promptly notifies TRIARQ in writing of such suit, claim or proceeding after gaining knowledge of same, (ii) gives TRIARQ reasonable information, assistance and cooperation required to defend such suit, claim, or proceeding, and (iii) allows TRIARQ to control the defense of any such action and all negotiations for its settlement or compromise. Licensee may be represented in the defense of any such claim, at Licensee's expense, by counsel of Licensee's selection. TRIARQ will have no liability for any awards, settlements or costs incurred without its written and signed consent.

11.2 Licensee Indemnity. Licensee, at its own expense, will indemnify and hold TRIARQ, its shareholders, directors, officers, employees and agents, harmless against any and all claims, damages, settlements, costs and expenses (including reasonable attorneys' fees) and will defend same in any threatened or actual suit, claim, or proceeding arising from or relating to Licensee's use of the Software. TRIARQ may be represented in the defense of any such claim, at TRIARQ's expense, by counsel of TRIARQ's selection. Licensee will have no liability for settlements or costs incurred without its consent.

11.3 Injunctive Relief. In the event that a final injunction is obtained against Licensee's use of the Software by reason of infringement or violation of any valid and enforceable Intellectual Property right,

or if in TRIARQ's opinion the Software is likely to become the subject of such an injunction, TRIARQ will have the right, but not the obligation, to: (i) procure for Licensee at TRIARQ's expense the right to continue to use the Software as provided in this Agreement, (ii) replace or modify the Software at TRIARQ's expense so that it becomes non-infringing (so long as the functionality of the Software is substantially equivalent), or (iii) if the preceding clauses (i) and (ii) are not reasonably practicable in TRIARQ's sole judgment, terminate this Agreement without any further obligation to Licensee.

11.4 Exceptions. Notwithstanding anything in this Agreement to the contrary, TRIARQ will not have any liability to Licensee to the extent that any claim is based upon (i) use of the Software in conjunction with any data, equipment or software not provided or authorized by TRIARQ, (ii) use of the Software in a manner not described in the Documentation or not authorized by TRIARQ, (iii) any modification to the Software not made or authorized by TRIARQ, or (iv) use of the Software in any unlawful, improper or inappropriate manner or for any unlawful, improper or inappropriate purpose.

PROFESSIONAL DUTY.

11.5 Licensee acknowledges that the professional duty to the patient in providing healthcare services lies with the healthcare professionals, including the Provider, who are providing services to the patients. Licensee assumes full responsibility for its use and the use of its Providers and their organizations' uses of the Software including the input, protection, processing and use of any and all patient information in and by the Software at all points during the patient's care. The Licensee on its own behalf and on behalf of its Providers hereby acknowledges and agrees that the use of the Software is in no way intended to replace or substitute for professional judgment of a Provider and is in no way intended nor will it be used to relieve a Provider of its duties, obligations and standard of care to the patient. TRIARQ does not assume any responsibility for any actions of Licensee or any Provider, which may result in any liability for damages, for any breach of the standard of care for any malpractice, failure to warn, negligence or any other basis of liability for the Providers and any and all of their related service organizations, if any. Licensee hereby represents and warrants that it shall ensure that all Authorized Users, Providers and any and all other healthcare professionals using the Software are aware of and consent to the limitations of the use of the Software and to this duty to indemnify and hold TRIARQ harmless.

GENERAL

12.0 Dispute Resolution. If a dispute, other than a dispute arising out of or related to the collection and receipt of the payments due TRIARQ and/or its Payment Assignee referenced in paragraph 4.13 above, arises out of or relates to this Agreement, or the breach thereof, the parties shall first each appoint persons with authority to meet in order to make a good faith effort to resolve the dispute. If 60 days have elapsed since the dispute arose and such dispute cannot be settled through negotiation, the parties agree thereafter to try in good faith to settle the dispute by mediation under the Commercial Mediation Rules of the American Arbitration Association at the AAA regional office in Southfield, Michigan.

If the dispute, other than a dispute arising out of or related to the collection and receipt of the payments due TRIARQ and/or its Payment Assignee referenced in paragraph 4.13 above, cannot be resolved through mediation, thereafter such dispute shall, on the written notice by any party, be submitted to final and binding arbitration under the Rules of Commercial Arbitration of the American Arbitration Association (“AAA”) in effect at the time, at the AAA regional office in Southfield, Michigan. The arbitration panel shall have full authority to grant all forms of relief including all prejudgment remedies but not any equitable relief to which the parties may be entitled and any such equitable relief may be pursued by either party in a court with competent jurisdiction under this Agreement. As used in this Agreement, “any controversy” and “claims” includes, but is not limited to, claims for breach of contract, breach of the covenant of good faith and fair dealing, torts of any kind (including, but not limited to, fraud, intentional and/or negligent infliction of emotional distress, defamation, invasion of privacy, interference with business relations, assault, battery, personal injury or death, negligence of any kind, intentional conduct of any kind, and any other tort not specifically listed), and all statutory claims. The scope of the obligation to arbitrate includes claims against officers, directors, agents and employees, claims arising under any federal or state law or regulation, and claims by employees, agents, shareholders, resellers, lenders, heirs, personal representatives, spouses, other family members, successors and assigns. Arbitration will be the sole and exclusive means to resolve any such controversy or claim, except for such other judicial procedure as may be specifically provided for in this Agreement. A demand for arbitration must be filed by a party within one year after the party discovers the conduct, act, event or occurrence first giving rise to the claim, but no later than Twenty-four months after the conduct, act, event or occurrence first giving rise to the claim occurs, or the right to any remedy will be deemed forever waived and lost.

The arbitration panel shall be bound by the terms of this Agreement and shall make its award pursuant to and consistent with governing law and shall not apply principles of *ex aequo et bono*. The arbitrators shall have no authority to award punitive, exemplary or similar damages against either party. The decision of the majority of the arbitrators of the panel shall be final and conclusive. The arbitration panel shall issue a standard award. A judgment upon the arbitration award may be entered in a court of competent jurisdiction.

Notwithstanding the foregoing, the parties acknowledge that a breach of provisions of Sections 2.4, 4, 5, 6, 7 and 8.4 will cause irreparable injury to the non-breaching party which may not be compensable by any remedy at law because of the difficulty of proving and collecting damages, and as a result thereof, in the event of such a breach the non-breaching party shall be entitled, in addition to all other remedies, to injunctive relief in a circuit court or other court of record in the jurisdiction adopted by this Agreement enjoining the breaching party's breach thereof, together with all costs and actual reasonable attorney fees incurred in enforcing rights and such remedies.

12.1 Limitations. Neither Party may bring a claim or action, regardless of form, arising out of or related to this Agreement, more than one (1) year after the cause of action accrues, except that TRIARQ or Licensee may bring a claim up to two (2) years after the cause of action accrues if either party is in default under this Agreement with respect to payments of money or if the injured party cannot reasonably discover the

basic facts supporting the claim within one year. A party must file a counterclaim, if any, within three (3) months after a claim has been filed.

12.2 Exclusive Jurisdiction. For actions initiated by either party to this Agreement for injunctive relief to enforce its rights pursuant to Section 11.3 above or, any dispute or claim arising in connection with this Agreement that is not subject to arbitration, such as the collection and receipt of the payments due TRIARQ and/or its Payment Assignee referenced in paragraph 4.13 above, will be exclusively adjudicated in the appropriate courts located in the County of Oakland, in the State of Michigan and of the United States District Court of the Eastern District of Michigan, and any appellate court from any thereof. Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of said courts for any such action.

12.3 Compliance with Laws. Licensee will comply with, and at all times cooperate promptly with TRIARQ to enable TRIARQ to comply with, the provisions of the United States Export Administration Act, War Powers Act, or other law or Executive Order relating to control of exports or transfer of technology, and the regulations of the United States Departments of State, Commerce and Defense relating to them (in present form or as they may be amended or enacted in the future).

12.4 Notices. All notices and other communications given or made pursuant hereto shall be in writing and shall be deemed effectively given: (i) upon personal delivery to the party to be notified, (ii) when sent by confirmed electronic mail or facsimile if sent during normal business hours of the recipient; if not, then on the next business day, (iii) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (iv) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the respective parties at the addresses set forth on the most recent Purchase Schedule (or at such other addresses as shall be specified by notice given in accordance with this Section).

12.5 No waiver. No term or provision of this Agreement will be deemed waived and no breach of this Agreement will be deemed consented to or excused, unless such waiver, consent or excuse will be expressed in writing and signed by the party claimed to have so waived, consented or excused such term or provision.

12.6 Excluded Laws. The application to this Agreement of the United Nations Convention on Contracts for the International Sale of Goods is hereby expressly excluded.

12.7 Schedules. To the extent that terms of this Agreement conflict with the terms of any Exhibit, Addendum or Schedule, the relevant Exhibit, Addendum or Schedule will control with respect to the relevant Software or service of the Products.

12.8 Survival of Terms. After expiration or termination of this Agreement for any reason, all provisions relating to payment shall survive until completion of required payments. In addition, all provisions regarding scope of the license granted, audit, indemnification, warranties, liability and limits thereon, assignment and confidentiality or protection of proprietary rights and trade secrets, shall survive indefinitely.

12.9 Severability. In the event that any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable because it is invalid or in conflict with any law of any relevant jurisdiction, the validity of the remaining provisions will not be affected, and the rights and obligations of the parties will be construed and enforced as if the Agreement did not contain the particular provisions held to be unenforceable, unless such construction would materially alter the meaning of this Agreement.

12.10 Headings. Captions and headings hereof are for reference purposes only and will not control or alter the meaning of this Agreement as set forth in the text.

12.11 Authority.
