

Welcome to our Wednesday Webinar series. We are very excited this week to announce the Launch of Qcollege and Give a high-level walkthrough of its features. This product was created specifically to help empower our clients on a day-to-day basis to get the information you need when you need it.

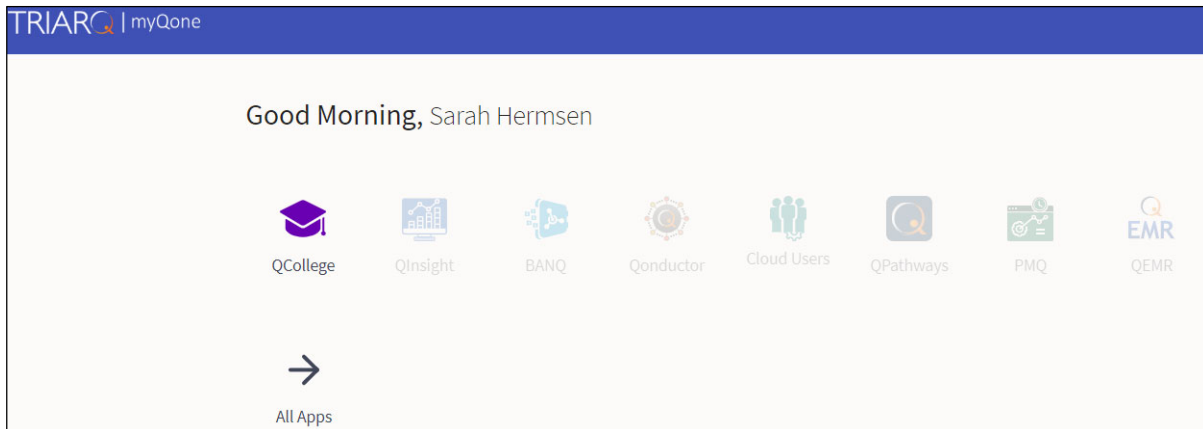

## TODAY'S WEBINAR

1	What Is QCollege?
2	The Foundation
3	Find What You Need
4	Your Voice
5	Continuing to Build
6	Questions

Today we're going to talk about:

1. What is Qcollege?
2. The Foundation – what is the backbone of this amazing product
3. Find What You Need – How to get to the information you need as fast as possible
4. Your Voice – you have the biggest say in what's on Qcollege and how it develops
5. Continuing to Build – looking at the future as this amazing resource continuous to grow
6. Questions – contact info for questions and suggestions

# MYQONE

Patrick Murphy - [pmurphy@triarqhealth.com](mailto:pmurphy@triarqhealth.com)

3

Qcollege is one of several products available within the myQone website. MyQOne is a modern and unified user experience where you can gain access to TRIARQ products and services. The ones you don't have yet are grayed out. This site allows us to deploy services faster and provides a simple, secure sign in for the user with Single Sign On – log in once and you're all set.

If you're interested in learning more about the grayed out products on your site, please reach out to Patrick Murphy.

Currently the primary contact for all TRIARQ Active Accounts have access to MyQOne and Qcollege. We'll discuss how to add more users in just a minute.

INFORM

## WHAT IS QCOLLEGE?

---

QCollege a learning database built to inform, train and support TRIARQ Health clients. Think of it as your knowledge hub housing the information you need to 1) use different products, 2) follow various workflows and 3) make your day-to-day flow more smoothly.

With QCollege **you** are empowered to get the information **you** need when **you** need it.

# THE FOUNDATION: CATEGORIES

The screenshot displays the TRIARQ QCollege dashboard for user Sarah Hermesen. The top navigation bar includes the TRIARQ logo, the user's name, and a 'Contact Us' link. Below the navigation bar, there are tabs for 'Dashboard', 'Category', and 'Courses'. The main content area features a personalized greeting and a grid of seven category tiles, each with an icon and a brief description:

- QEMR**: The QEMR application enables user to control various tools settings. T...
- QPathways**
- Regulatory & Compliance**: This includes quick guides for PI and Quality MIPS measures.
- QMobile**
- QPM-RCM**: QPM is a state-of-the-art system designed to enhance accuracy, efficie...
- e-Visit**
- QInsights**

The TRIARQ HEALTH logo is visible in the bottom left corner, and the number '5' is in the bottom right corner of the dashboard area.

QCollege is organized by Categories, Courses and Topics. Everything is structured to quickly bring you to the content you are looking for. This is the Main Qcollege Home Page. You will see the 7 main Categories.

Categories are various products and services TRIARQ offers such as QPathways, QEMR and Regulatory and Compliance.

# COURSES

## QEMR

**Courses:** Each Category is broken in Courses: sub-categories that all relate to the main Category. For example, the Category QEMR is broken down into Courses like “Appointments” and “Vitals”; the QPathways Category has “BCPI Overview” and “Onboarding” courses; and Regulatory and Compliance has a “MIPS” Course.

Always keep an eye out at the bottom of the page – it will let you know if there are more pages available to view.

TRIARQ HEALTH

7

You will spend most of your time on the Topics pages.

**Topics:** Each Course has several Topics within it. The Topics are presentations, videos, quick guides, manuals, and informational documents that educate on specific topics within the Course. For example, within the Appointments and Schedules Course are 11 Topics – quick guides and videos. All videos will have – VIDEO in their title as displayed here. You can also search the keyword “Video” to bring up all of the videos.

Never lose your way with the Course and the Category always shown for each Topic.

# VIDEOS

The screenshot displays the 'VIDEOS' section of the QCollege interface. On the left, there is a search bar labeled 'Search for...' and a sidebar menu with the following items: 'Create a New Patient', 'Patient Demographics', 'New Patient Registration - VIDEO' (highlighted in blue), 'Patient Check-In - VIDEO', and 'Add A New Patient'. The main content area shows a video player for 'New Patient Registration - VIDEO' under the category 'QEMR'. The video player features the QCollege logo and the text 'New Patient Registration' over a background image of hands typing on a laptop keyboard. In the top right corner of the video player, there are 'Watch later' and 'Share' buttons.

All videos will have the word VIDEO in the title as shown here. You are able to play the videos right within QCollege – no need to jump to another website or have another window open.

# SEARCH BAR

The screenshot shows a search interface for 'MIPS'. At the top, a search bar contains the text 'MIPS'. Below the search bar, the results are organized into two columns: 'Courses' (3 items) and 'Topics' (6 items). A 'Filter with' dropdown menu is open, showing options: 'All', 'Category', 'Course', 'Topic', and 'Attachment'. The 'All' option is currently selected. The 'Courses' column lists: 'MIPS' (06/26/2019), 'Performance Interoperability (PI) Measures - MIPS' (09/23/2019), and 'Quality Measures - MIPS' (08/22/2019). The 'Topics' column lists: '2019 MIPS 101 Guide (CMS)' (09/10/2019), '2019 MIPS APMS/APM Scoring Standard Overview (CMS)' (09/10/2019), and '2019 MIPS Participation and Eligibility Fact Sheet (CMS)' (09/10/2019). The TRIARQ HEALTH logo is in the bottom left corner, and the number '9' is in the bottom right corner.

Expansive search bar let's you find what you need quickly. It also breaks it down into Courses and Topics so you can see groups of information or click on something specific. You can also filter down even more by category, course, attachment, etc.

# CONTACT US

1. Questions?
2. Suggestions
3. Guidance
4. Add Users

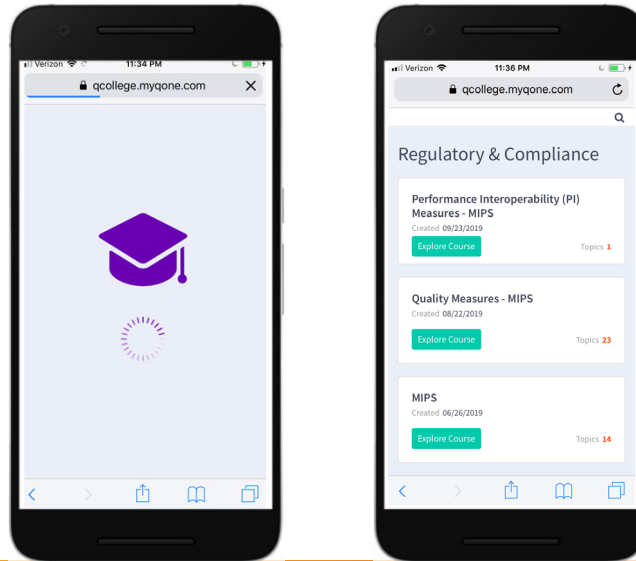

Contact Us anytime with Questions, Suggestions – what are the nice to haves and what do you need to have on the site

– Guidance – can't find a subject you're looking for, have questions about the process in a document.

To add other users from your practice, just click this button and send us the First and Last Name and the Email Address of the person you want to add

## CONTINUING TO BUILD AND GROW

MOBILE

We are currently testing a mobile interface for Qcollege. You can see how user friendly it is – on the right you can see the Search bar at the top, and the Category Regulatory & Compliance is broken down into the Courses and also shows clearly how many topics are in those courses.

## CONTINUING TO BUILD AND GROW

### ASSESSMENTS & QUIZZES

Add Question & Answers

\* Question  
Which toolbar option do you click to view the Settings options in the EMR?

\* Type  
Multiple Choice

\* Answer  
Single Answer

Correct answer only one

2	Tools	<input checked="" type="radio"/>	<span>✖</span>
3	Go	<input type="radio"/>	<span>✖</span>

Save Cancel

We are also moving towards being able to build out Assessments and Quizzes. We can do this to audit what additional training needs to happen during an implementation process and also create quizzes as new people get onboarded at practices so they can ramp up on our products quickly.
