Exam Coding

If exam notes (Past Exams) are not coded with Diagnosis Code and CPT code measures will not increment.

Measure Specific Codes

The codification shown in this document are examples of qualifying documentation. To see a full list please visit [Value Set Authority Center](#).

CMS Guidance *

To enable reporting of this measure at the close of the measurement period, this measure will only assess the influenza season that starts on October 1 of the year prior to the measurement period and ends on March 31 of the measurement period. The subsequent influenza season (ending March of the following year) will be measured and reported in the following year.
